SNOWTUBING TRACKS SAFETY RULES FOR YOUR SAFETY AND WELL-BEING

USE OF THIS ATTRACTION IS NOT PERMITTED WITHOUT THE PRESENCE OF AUTHORIZED STAFF.

Safety is strictly dependent on the observance of the following rules:

• The strap **MUST** be used exclusively for towing the snowtubes.

• Before starting the descent, guests **MUST** place the towing strap inside the SNOWTUBE and sit on top of it.

• Guests **MUST** sit inside the SNOWTUBE with their legs outside and lifted.

• Guests **MUST** use the provided handles to hold on firmly with both hands for the entire duration of the descent.

• It is strictly **FORBIDDEN** to use the snowtubes outside the designated Snowtubing Tracks.

• It is **FORBIDDEN** to start the descent until the previous guest has cleared the finish area and the TUBBY track is completely clear.

• It is **FORBIDDEN** to descend before placing the strap inside the SNOWTUBE.

• It is **FORBIDDEN** to descend with legs positioned inside the SNOWTUBE.

• Descending face down (on your stomach) is **FORBIDDEN**.

• Sitting on the edge of the SNOWTUBE is **FORBIDDEN**.

• Children under 3 years of age are **NOT PERMITTED** to descend unless accompanied by an adult.

• Users over 12 years of age are **NOT PERMITTED** to use the attraction.

• Users under 100 cm or over 200 cm in height are **NOT PERMITTED** to use the MINI SNOWTUBE (0.78m diameter).

• More than one person per tube is **NOT PERMITTED** on the MEDIUM SNOWTUBE (1m diameter).

• Use of snowtubes is **NOT PERMITTED** for persons in poor health or with heart conditions.

• Use of snowtubes is **NOT PERMITTED** for persons under the influence of alcohol or drugs.

• Use of snowtubes is **NOT PERMITTED** for pregnant women.

• Carrying bulky objects (e.g., umbrellas, backpacks, etc.) is **PROHIBITED**.

• Wearing clothing that could get caught (e.g., scarves or similar) is **PROHIBITED**.

• Wearing footwear without a heel strap (which may slip off during the descent) is **PROHIBITED**.
